

VRT BELI VOLK

Vrt je kot tvoj socialni mehurček sredi mesta - preprost, iskren in z navihano energijo, ki te potegne. Tu srečaš znane obraze, spiješ kavo, drink ali dva in nato zamigaš ob house glasbi.

/

Vrt is like your social bubble in the middle of the city - simple, honest, with a playful energy that pulls you in. Here you run into familiar faces, grab a coffee or a drink or two, and then move to the rhythm of house music.
